USING THE CYC PAPER SIZER

1. Carefully cut out the paper ruler.

2. Wrap the paper ruler around your wrist, making sure to measure the widest part for the most accurate result, typically near the wrist bone.

3. The number pointed to by the arrows indicates your wrist measurement in cm.

4. If you prefer a looser fit, CyC recommend to add 1 cm to your measurement.

5. Once you have your size, go back to Bracelet Size Recommendation Table. Keep in mind that bracelet sizes may slightly vary depending on the specific collection or model.
