* Note: Some printers might slightly alter the size of the page by around ±5% when printing.
If the scale does not align, please adjust the print size accordingly.

MEASURE ONE OF YOUR RINGS:

Choose a ring that comfortably fits your finger.* Position it in the circles provided below.
The correct ring size is the one where the black contour of the circle sits
just inside the ring's interior, without being covered.

* Carrera y Carrera uses European sizes.
Refer to the size conversion table on the next page for international equivalencies.
